

25 September 2024

Dr Jia-Li Wang
School of Civil Engineering
The University of Fuzhou
Fuzhou, China

Dear Dr Jia-Li Wang,

Invitation Letter for Speaker at the International Conference ASCCS 2024

First of all, we would like to thank you for your contribution to the 13th International Conference on Advances in Steel-Concrete Composite Structures (ASCCS 2024), which will take place in Hong Kong, China from 11 to 13 December 2024. The conference aims to bring international experts and leaders together to disseminate recent research findings in the fields of structural steel, composite and hybrid structures.

On behalf of the Organising Committee, you are cordially invited to deliver an oral presentation on the following paper, which has been accepted through the peer review process.

Paper ID: ASCCS 2024_114

Paper Title: Shear behavior of high-strength square concrete-filled steel tube:
Finite element analysis

Author(s): Jia-Li Wang, Zhi-Chao Lai, De-Ren Lu, Xiao-Qiang Yang

Should you have any inquiries regarding this invitation, please feel free to contact the Organising Committee at asccs2024@polyu.edu.hk. We are looking forward to your participation and seeing you in Hong Kong this December.

Yours faithfully,

Ben Young
ASCCS 2024 Conference Chairman

Yancheng Cai

Qiu-Yun Li
ASCCS 2024 Conference Co-Chairmen
