

The 1st International Conference on Infrastructural Monitoring and Protection (CIMP1-2025)

1-4 December 2025, Perth, Australia

Conference Website: <https://cimp1-2025.org/>

Invitation Letter to Participate in CIMP 1-2025, 1-4 Dec 2025, Perth, Australia

22 October 2025

Dear Mr. Jie Huang [Fuzhou University]

We invite you to attend the 1st International Conference on Infrastructural Monitoring and Protection (CIMP 1-2025) in Perth, Australia. Your visit is scheduled from **December 1st to December 4th**, 2025, for a total stay of approximately four days.

Register now: <https://cimp1-2025.org/registration/>. If you have any inquiries, please contact cimp2025@curtin.edu.au.

We are also pleased to invite you to the School of Civil and Construction Engineering, Curtin University, Perth, for a visit on 4th December 2025. We would like to invite you to give a talk on your research work and share your experience of working in Chinese university. There will be two seminars on 4th December 2025. The morning seminar will focus on structural materials, and the afternoon seminar will focus on structural members. We would like to invite you to attend the seminars and present your works on "A dynamic fracture model of stainless-clad bimetallic steel subjected to intermediate strain rates".

We are looking forward to seeing you in Perth this December.

This letter is intended solely to assist with your visa application. Please be advised that it implies no financial support, and all associated costs must be covered personally.

Sincerely,

Conference co-chairs:

Prof. Wensu Chen
Director | Centre for Infrastructural Monitoring and Protection (CIMP)
